

Newsletter Alert!

The Newsletters are always available on our website
www.thevillagesatfreedomgreen.com

In an effort to keep the community informed and to keep the overall cost of producing and mailing the Newsletters, the Board of Directors is implementing the following procedure:

Any unit owner wishing to receive notification that the latest Newsletter is available on the website will have to provide the Association with an active email address.

If you are unable to access the internet, and a neighbor isn't available to print you a copy, you may request the Association to send a copy to your mailing address. Your request needs to be made in writing.

Email contact for Newsletter related topics or comments – VAFGNews@aol.com

All landlords must provide at least (1) tenant email contact information so the Newsletter is received at the rental location.
